EDGE OFFICE APPOINTS JOHN SIMMONS AS SR. PROJECT MANAGER

Raleigh, NC, March 20, 2007 – Edge Office, LLC today announced the appointment of John Simmons to the position of Senior Project Manager. The appointment will enable the fast-growing Raleigh-based contract furniture dealer to continue its high level of service to clients.

“Edge Office is growing rapidly and we need to grow our team in order to manage the many new projects we will carry out this year. We are fortunate to be able to add someone with John’s skills and extensive furniture industry experience,” said Michael Kerr, President of Edge Office. As Senior Project Manager, Mr. Simmons will oversee planning and installation of large client workspace furnishing projects to ensure timeliness and quality. He has begun managing existing projects for Edge Office clients Cisco Systems, Inc. and Network Appliance, Inc.

Mr. Simmons has over 25 years of progressive furniture industry experience. He has worked in various roles, including installation manager, project manager, and operations director, for large office furnishings dealerships in Dallas, Houston, and Fresno. He holds a BA degree from Crichton College in Memphis, TN.

About Edge Office

Edge Office, LLC provides professionally tailored workplace environments to clients in the Raleigh-Durham-Chapel Hill area of North Carolina, as well as in many other cities of the eastern United States. Edge Office has served more than 100 clients since its inception in 2004, including Fortune 500 and Fortune 1000 companies such as IBM, Cisco Systems, Inc., and Network Appliance, Inc. Edge Office is an authorized Teknion office systems and furnishings partner. More information about the company is available at www.edge-office.com.
